Information Disclosure Statement

Sir:

The following information is being disclosed to the U.S. Patent and Trademark Office as information that may be material to the examination of the above-identified patent application.

Applicant's Attorney is aware of the art cited on the enclosed Form PTO-1449. At least some of the art was uncovered from a search report in an equivalent European patent office application. A copy of the search report is enclosed.

In regard to JP Publication number 09232021 A, the examiner is directed to Figs. 1, 5 and 6 with the leaf spring 40 supporting the contact part 26.

The filing of this Statement is not to be construed as a representation that a search has been made regarding the claimed invention (37 C.F.R. §1.97(g)) or that no other possible material information exists. In addition, the filing of this Statement is not to be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability (37 C.F.R. §1.97(h)).

Respectfully submitted,

Mark F. Harrington
